STATISTICAL INFORMATION

The statistical information contained in this Report is compiled from financial statements furnished by the various Cities, Towns, Villages and Municipal Districts and covers the calendar year 1946. Information regarding Improvement Districts is taken from departmental records and covers the year ending December 31st, 1946.

CITIES (7)

There has been no change in the number of cities.

The upward trend in population continues, the increase being from 246,576 in 1945 to 251,887 in 1946, being an increase of 5,311.

Assessment.—Assessment for the sixth successive year shows a substantial increase. In total there has been an increase of \$8,055,765 from \$168,527,226 in 1945 to \$176,582,991 in 1946.

Taxation.—The 1946 current levy was increased \$812,482 from \$8,536,260 in 1945 to \$9,348,742 in 1946. Tax collections, excluding discounts, again show an increase over that reported in the last four years. The increase in collections was from \$9,974,531 in 1945 to \$10,827,388 in 1946, being an increase of \$852,857. Total tax collections amount to 115.8% of the current levy.

Debenture Debt.—The Gross Debenture Debt at December 31st, 1946, again shows a substantial reduction from the amount of the debt at the end of the previous year. The decrease was from \$31,610,973 in 1945 to \$28,459,888 in 1946, and amounted to \$3,151,085.

TOWNS (54)

During the year 1946 the status of the villages of Barrhead and Sylvan Lake were changed to that of a town.

The figures in this report refer to 53 towns only, as the Town of Lloydminster reports directly to the Province of Saskatchewan.

When comparisons are being made between 1945 and 1946 figures it must be kept in mind that the 1946 figures are for two more towns than were shown in 1945.

Assessment.—The total assessment for 1946 again shows an increase over previous years. The total increase was \$4,296,018, from \$33,709,805 in 1945 to \$38,005,823 in 1946.

Taxation.—The 1946 current tax levy was increased \$79,837 from \$1,794,225 in 1945 to \$1,874,062 in 1946. The total tax collections also showed an increase of \$75,507 from \$1,738,474 in 1945 to \$1,813,981 in 1946. The total tax collections amount to 96.79% of the current levy in 1946 as compared with 96.89% in 1945.

Revenue.—The total revenue as reported in 1946 was \$2,293,506 compared with \$2,149,198 in 1945, being an increase of \$144,308. All items showed large increases over the 1945 figures with the exception of Service Charges, Debenture Debt Charges Recoverable and Public Utilities Surplus Taken into Revenue which showed substantial decreases.

Expenditure.—The total expenditure as reported for 1946 was \$2,296,016 compared with \$2,269,113 in 1945, being an increase of \$26,903. Among those items showing large increases over the 1945 figures were: General Government, Protection to Persons and Property, Public Works, Conservation of Health, Public Welfare, Recreation and Community Services and Debt Charges. Those items showing substantial decreases were: Provision for Reserves, Sanitation and Waste Removal, Education and Capital Expenditures Provided Out of Revenue. The decrease in Education expenditures in 1946 is caused by the transfer of the responsibility of levying and collection of school taxes and payment of requisitions of that part of the school district outside the limits of the town to the Municipal District or Improvement District in which it is situated.

Assets.—The Net Bank Balances and Investments at December 31st, 1946, was \$910,633 as compared with \$844,053 at December 31st, 1945, which shows an increase of \$66,580. Other items which show increases in 1946 compared with 1945 are: Accounts Receivable, Due from Other Municipalities, Due from Local Boards and Commissions and Other Funds, Inventories and Accrued Items. Uncollected Taxes again shows a large decrease, namely \$950,986, caused chiefly by large cancellations of arrears and the transfer of arrears of school taxes outside the town but within the town school district from the towns to the Municipal Districts and Improvement Districts.

Liabilities.—Total liabilities for the year 1946 have remained at approximately the same level as they were in 1945. Large decreases are shown in Temporary Loans, Due to Province, Due to Local Boards and Commissions and Other Liabilities, while large increases are shown in Due to Other Funds and Reserves.

Loans and Debentures.—Unpaid Temporary Loans have decreased \$75,787 from \$131,684 in 1945 to \$55,897 in 1946. Debentures were issued in 1946 for \$689,000, while the total Debenture Debt shows an increase of \$631,868 from \$1,304,670 in 1945 to \$1,936,538 in 1946. Most of these debentures were issued for the installation of waterworks and sewerage systems.

VILLAGES (134)

During the year 1946 the villages of Bellis, Cadogan, Clairmont, Erskine, Langdon, Monitor, Ohaton, Ranfurly, Rosebud, Swalwell and Wabamun were

disorganized; the village of Hairy Hill was erected, and the villages of Barrhead and Sylvan Lake changed their status to that of towns.

When comparisons are being made between 1945 and 1946 figures it must be kept in mind that there is a net decrease of twelve villages in 1946.

Assessment.—All classes of assessment, except that under the heading of "Other" (which has decreased \$22,000), show increases over 1945. The greatest increase was in Personal Property, which has increased \$2,472,756 from \$834,125 in 1945 to \$3,306,881 in 1946. This large increase was due to the fact that in 1946 the villages assessed, levied and collected school taxes which previously had been done by the individual school districts. The next greatest increase was in Buildings and Improvement Assessments which has increased \$2,196,650 from \$17,178,685 in 1945 to \$19,375,335 in 1946. In total the assessment has increased \$4,905,562 from \$23,578,518 in 1945 to \$28,484,080 in 1946.

Taxation.—In 1946 the current tax levy was increased \$492,688 from \$651,139 in 1945 to \$1,143,827 in 1946. This large increase was due to the fact that the villages levied and collected the school taxes during 1946 which had previously been levied and collected by the individual school districts. The total tax collections also showed an increase of \$455,282 from \$646,172 in 1945 to \$1,101,454 in 1946. The total tax collections amount to 96.3% of the current levy in 1946 as compared with 99.24% in 1945.

Revenue.—The total revenue as reported for 1946 was \$1,253,494 compared with \$765,896 in 1945, being an increase of \$487,598. All items show increases except Recreation and Community Services and Other Revenue which show decreases.

Expenditure.—The total expenditure as reported for 1946 was \$1,248,049 compared with \$794,597 in 1945 being an increase of \$453,452. All of the expenditure items reflected substantial increases, except Provision for Reserves, Public Works, Conservation of Health and Social Services Requisitions which show decreases.

Assets.—The Net Bank Balances and Investments as at December 31st, 1946, were \$420,544 as compared with \$412,053 in 1945, being an increase of \$8,491. The Taxes Receivable as at December 31st, 1946, amounted to \$901,064 which is \$109,048 more than as at December 31st, 1945. This large increase is caused chiefly from the transfer of arrears of school taxes from the school districts to the villages after the villages began to levy and collect school taxes. The only other items which show any appreciable changes are Due From Other Funds and Due From Local Boards and Commissions which show substantial decreases. The total assets were increased from \$915,974 in 1945 to \$1,373,011 in 1946, being an increase of \$457,037. This large increase is due to the taxes being transferred to the villages plus the reserves which were deducted from the assets in the 1945 statement.

Liabilities.—There has not been an appreciable change in the total liabilities as between 1945 and 1946. Temporary loans show a substantial increase, while Accounts Payable and Due to the Province show substantial decreases.

Loans and Debentures.—During 1946 new debentures were issued for \$40,000 chiefly for the installation of waterworks and sewer systems. The Debenture Liability as at December 31st, 1946, had increased \$35,061 from \$57,893 in 1945 to \$92,954 in 1946. Unpaid Temporary Loans also show an increase of \$17,079 from \$8,487 in 1945 to \$25,566 in 1946.

MUNICIPAL DISTRICTS (60)

There was no change in the number of Municipal Districts during 1946, the number still remaining at 40 enlarged Municipal Districts and 20 which have not been enlarged.

Assessment.—The total net assessment shows an increase of \$6,375,776 from \$296,603,450 in 1945 to \$302,979,226 in 1946. The greatest increase is in Land, Buildings and Improvements Assessments which has increased \$6,200,242 from \$288,407,217 in 1945 to \$294,607,459 in 1946, the increase being due in part to addition of an Improvement District to an existing Municipal District and the absorption of disorganized villages.

Taxation.—The 1946 current tax levy of \$10,924,162 as compared with 9,145,080 in 1945 discloses an increase of \$1,779,082 during 1946. The total collections in 1946 of \$10,890,705 as compared with \$9,623,462 in 1945 shows an increase of \$1,267,243. The percentage of total collections to the current levy was 99.7% in 1946 compared with 105.2% in 1945. The reduction is due to the fact that the collectible arrears have declined considerably during the past few years as a result of good collections during those years.

Revenue.—The total revenue for 1946 was \$12,087,932 as compared with \$10,198,055 for 1945, an increase of \$1,889,877 in 1946. The greater levy accounts for a substantial part of the increase, with all other items showing increases as well, except Licenses and Permits, Investment Earnings, and Service Charges which show decreases from last year's figures.

Expenditure.—The total expenditure for 1946 was \$12,919,033 as compared with \$11,069,848 in 1945, an increase of \$1,849,185 in 1946. This increase is chiefly accounted for by increases in Provision for Reserves—\$22,545, Protection to Persons and Property—\$34,300, Public Works—\$245,453, Public Welfare—\$113,843, Education—\$956,180, Recreation and Community Services—\$1,155, Debt Charges—\$51,081, Capital Expenditures—\$544,569, and Social Services Tax Requisition—\$9,010, while decreases are shown for General Government—\$102,416, Conservation of Health—\$23,590, and Educational and Wild Lands Tax—\$2,453.

Assets.—The total assets for 1946 of \$13,636,444 compared with \$11,630,842 in 1945 discloses an increase of \$2,005,602. The chief reason for the increase is because the reserves for uncollected taxes were deducted from the assets in 1945 whereas in 1946 these reserves are shown in the liabilities statement. Those items showing increases are Accounts Receivable—\$201,520, Due from Other Municipalities—\$1,607, Due from Province—\$237,486, Inventories—\$11,204, while those items showing decreases were Bank Balances—\$277,346, Investments—\$76,591, Due from Other Funds—\$577,486, Taxes Receivable—\$454,734, Seed Grain—166,931, and Other Current Assets—\$10,097.

Liabilities.—The total liabilities have increased \$3,130,354 from the amount reported in 1945 caused mainly by the inclusion in 1946 of the reserves for uncollectible taxes which were deducted from the assets in 1945. Major increases in liabilities were for Bank Overdraft and Temporary Loans—\$196,394, Other Liabilities—\$42,073, Reserves—\$3,200,988, while decreases were shown in Accounts Payable—\$3,938, Due to Province—\$102,766, Due to Other Funds—\$4,262, and Seed Grain—\$164,983.

Loans.—The Bank Overdraft has increased \$10,465 from \$6,026 in 1945 to \$16,491 in 1946, and Unpaid Temporary Loans have increased \$185,930 from \$56,259 in 1945 to \$242,189 in 1946.

IMPROVEMENT DISTRICTS (60)

The 1946 statistics covers 60 Improvement Districts in addition to part of an Improvement District which was incorporated into the Municipal District of Vermilion River No. 71.

Assessment.—The total net assessment shows a decrease of \$417,963 from \$63,171,742 in 1945 to \$62,753,779 in 1946. Decreases are shown for Land Assessment—\$2,673,837, which is mainly accounted for by the absorption of an Improvement District by a Municipal District, while increases are shown for Improvements Assessment—\$341,945, Personal Property Assessment—\$1,563,234, and Business Assessment—\$350,695.

Taxation.—In 1946 the current tax levy increased \$419,839 from \$1,524,539 in 1945 to \$1,944,378 in 1946. The total tax collections show an increase of \$702,929 from \$1,611,255 in 1945 to \$2,314,184 in 1946. The total tax collections were 119% of the current levy compared with 105.7% in 1945, an increase of 13.3%.

Receipts.—The 1946 cash receipts in the sum of \$2,494,477 shows an increase of \$594,424 over the amount received in 1945 of \$1,900,053.

Payments.—The total payments during 1946 shows an increase of \$335,600 from \$1,946,243 in 1945 to \$2,281,843 in 1946. Those items showing an increase were Medical Aid and Direct Relief—\$70,957, Roads and Bridges—\$52,953, Pests and Weeds—\$913, Administration—\$63,700, School Requisitions—\$380,794, Transfers to Municipal Districts—\$45,931, and Miscellaneous—\$12,160, while those items showing a decrease were Mothers' Allowance and Child Welfare—\$67,297, Old Age Pensions—\$51,898, and Hospital Requisitions—\$20,631.

Assets.—The Improvement District Trust Account balance in the sum of \$1,931,290 at December 31st, 1946, shows an increase of \$275,286 over the amount of \$1,656,004 reported December 31st, 1945. The uncollected taxes have decreased \$482,635 from \$3,891,080 in 1945 to \$3,408,445 in 1946.

Liabilities.—The total liabilities have increased \$42,460 from \$62,564 in 1945 to \$105,024 in 1946. Those items showing increased liabilities are Direct Relief—\$738, Old Age Pensions—\$2,285, Mothers' Allowance and Child Welfare—\$5,896, and Miscellaneous—\$56,122, while those items showing decreases were Overdrafts—\$203 and Medical Relief—\$22,377.
